八、 若有任何疑問，歡迎來電詢問：(02)28227101#7602 嬰幼兒保育系。

Infant and Child Care Department
National Taipei University of Nursing and Health Sciences (NTUNHS)
Full-Time Assistant Professor Recruitment

(Deadline: January 31, 2027)

I. Position and Number of Openings

One full-time faculty member at the rank of Assistant Professor (or equivalent rank).

II. Appointment Effective Date

First semester of the 2027 academic year (August 1, 2027).

III. Qualifications and Areas of Expertise

1. Hold a doctoral degree (Ph.D.).
2. Possess expertise in areas such as child welfare policy, organizational management, early childhood education and care administration, or technology application and integration.
3. Possess at least one year of industry practical work experience related to the teaching field, obtained through employment in relevant practical institutions or government agencies (recognized in accordance with the Accreditation Standards for Industry Practical Work Experience of Teachers Teaching Professional or Technical Subjects at Technological and Vocational Colleges and Universities; please refer to the personnel regulations on the Personnel Office website for details; supporting documentation must be provided for all aforementioned experience).
4. Demonstrate a strong track record in academic research.
5. Ability to teach courses entirely in English (English as a Medium of Instruction, EMI).
6. Preference will be given to candidates who meet the teaching discipline qualifications for professional early childhood education and care courses as stipulated in Article 6 of the Regulations Governing the Accreditation of Early Childhood Education and Care Related Departments and Programs at Junior Colleges and Institutions of Higher Education, and who are capable of teaching related courses.
7. Provide other supporting documentation that strengthens the demonstration of personal research capability, higher education teaching achievements, industry collaboration, internationalization experience, and interdisciplinary expertise.
8. Demonstrate enthusiasm for teaching, service, and research.
9. Be willing to teach evening or weekend classes as required.

IV. Teaching Courses and Research Requirements

1. Undergraduate Program: Infant and Child Care Policy and Regulations, Preschool Classroom Management, Preschool Teaching Materials and Methods, Infant and Child Care Practicum, etc.
2. Graduate Program: Non-Profit Organization Management, Human Resource Management, etc.
3. In addition to teaching duties, newly appointed faculty members at the University are required to publish at least one paper as first author or corresponding author within three years in journals indexed in the Web of Science (WOS) or Arts and Humanities Citation Index (A&HCI), or in journals of equivalent rank recognized by the Department, College, and University Faculty Evaluation Committees.

V. Required Application Documents

1. Curriculum Vitae (must include the following):
   (1) Basic personal information
   (2) Mailing address, telephone number, and email address
   (3) Detailed educational background and work experience (please specify start and end years and months; for industry service years, please attach relevant proof)
   (4) Academic expertise
   (5) Teaching experience
   (6) Future research directions
2. Photocopy of National Identification Card (front and back)
3. Photocopy of Doctoral Degree Certificate
   For foreign academic credentials, please attach a Chinese translation authenticated by an overseas ROC diplomatic mission. Additionally, attach the Overview Form of Overseas Study (electronic form available on the University's Personnel Office website / Form Downloads / Faculty Recruitment), personal entry and exit records certified by the National Immigration Agency, Ministry of the Interior, and official transcripts of foreign academic credentials verified by an overseas ROC diplomatic mission.
4. Proof of work experience
   For industry service years, please attach relevant proof. For foreign work experience, please attach a Chinese translation authenticated by an overseas ROC diplomatic mission.
5. Photocopy of Junior College or University Teacher Qualification Certificate (exempt if not applicable)
6. Complete list of publications (journal articles, conference papers, patents, etc.) and offprints or photocopies of representative works and journal articles published within the past five years (please indicate if indexed in SCI, SSCI, or TSSCI).

7. List of research projects served as Principal Investigator or participated in (must indicate the Principal Investigator), specifying research outcomes and personal contributions.
8. Titles and course descriptions of courses previously taught or qualified to teach at colleges and universities (including course overview, syllabus, and reference books).
9. For those capable of teaching relevant subjects entirely in English (English as a Medium of Instruction, EMI), please attach course descriptions (including course overview, syllabus, and reference books).
10. Two letters of recommendation from domestic or international professors in relevant academic fields (please indicate the date of recommendation).
11. Completed and signed "Declaration Form for Prospective Educational Personnel of National Taipei University of Nursing and Health Sciences" (Find the electronic form on the Personnel Office website: Download / 1. Faculty Appointment / 8. Required Onboarding Documents for New Faculty / (14) Declaration Form for Prospective Educational Personnel.)
12. Completed and signed "Affidavit Confirming the Prospective Appointee Does Not Hold Household Registration in Mainland China, nor Possess a Chinese Passport, Identity Card, Settlement Permit, or Residence Permit" (Find the electronic form on the Personnel Office website: Download / 1. Faculty Appointment / 8. Required Onboarding Documents for New Faculty / (15) Affidavit Regarding Household Registration, Passport, ID Card, Settlement Permit, or Residence Permit in Mainland China for Prospective [Current] Personnel.)
13. Newly appointed faculty and staff must submit a "Certificate of Completion for a 2-Hour Gender Equity Education Course Taken Within 3 Months Before Reporting for Duty" upon arrival (meaning training must be completed before assuming office), which may be taken via in-person or digital training. (Find the electronic form on the Personnel Office website: Download / 1. Faculty Appointment / 8. Required Onboarding Documents for New Faculty / (20) Pre-Service Gender Equity Education Training Notice for New Faculty and Staff.)

VI. Application Deadline

By January 31, 2027.

VII. Submission Method

1. Send one hard copy of the application by registered mail (postmark date serves as proof) to: "Personnel Office, National Taipei University of Nursing and Health Sciences", No. 365, Mingde Rd., Beitou Dist., Taipei City 112303, Taiwan. Mark the envelope "Application for Full-Time Assistant Professor, Department of Infant and Child Care". [Qualified applicants will be invited for an interview; submitted

documents will not be returned. To have your CV returned, enclose a self-addressed stamped envelope].
